

Invest in the Future Bursary Giving Opportunities

Durham Children's Aid Foundation Donor Guide

The Power of Change

Education is one of the most powerful tools for breaking barriers and building a brighter future. Durham Children's Aid Foundation (DCAF) invites you to be part of a transformational initiative by funding bursaries for young people who have been in the care of Durham Children's Aid Society (DCAS). Your support will provide financial assistance for students pursuing post-secondary education, skilled trades, and professional training programs.

Impact by the Numbers

- Only 46% of youth in care graduate high school by age 19, compared to 83% of their peers.
- Less than 10% of former youth in care pursue post-secondary education.
- The average university tuition in Canada is \$7,076 per year, excluding books, housing, and living expenses.
- Every \$1,000 in financial support increases the likelihood of degree completion by 14%.

Ways to Give: Bursary Sponsorship Opportunities

1 Annual Bursary Pledge (Flexible, Recurring)

Best for: Individual & corporate donors who want to support a student on a yearly basis.

- Commit to funding a bursary for one or more students each year.
- Renew annually with no long-term obligation.
- Recognition options:
- Annual donor listing,

impact report, student updates.

Example:

- \$5,000/year = One named bursary for a university student.
- \$3,000/year = Supports a student in trades or college.

2 Named Multi-Year Bursary (Commitment-Based)

Best for: Donors who want to support a student's full academic journey (e.g., a 2-4 year program).

- Option for a named bursary with specific eligibility criteria (e.g., STEM, trades, arts).
- Receive annual impact reports and connect with student success stories.

5 Endowed Bursary (Permanent Fund)
