Welcome

Julie Van Hartingsveldt Executive Director

Welcome, and thank you for joining us for **Fore the Future 2025**.

Today is about more than golf. It's about what happens when a community shows up not just with their clubs, but with their hearts.

To our players, sponsors, and prize donors, thank you. You're helping ensure that kids feel supported, seen, and celebrated.

A special thank you to **Bull Financial**, our Presenting Sponsor, for stepping up in such a meaningful way to lead this event forward.

To our dedicated Foundation team, thank you for your care, creativity, and hard work in planning today's event. And to Robert Kiefer, thank you for your leadership, your time, and your commitment to making this tournament a success. Your support means more than you know.

Because of all of you, kids will head off to summer camp, walk into class with confidence, and know that their community believes in them.

On behalf of our team and the children and youth we serve, thank you for making today matter.

A Message from Our Presenting Sponsor

Mark Bull, President Bull Financial

Having raised my four children here in the Durham Region, I can't stress enough how important the Durham Children's Aid Foundation is not just for the families it serves, but for our entire community.

Times are tough. Every family, every child deserves the opportunity to grow, to learn, and to thrive without the fear of falling behind.

I want to personally thank each and every one of you here today for backing such an important cause. Your support matters. Together, we can truly make a difference for families in Durham by continuing to stand behind the incredible work of the team at Durham Children's Aid Foundation.

Enjoy today and keep making a difference in our community.

A handwritten signature in dark ink that reads "Mark Bull". The signature is fluid and cursive, with the first letters of "Mark" and "Bull" being capitalized and prominent.

Your Support Changes Lives

Children and youth involved in the child welfare system face significant challenges:

- **Educational Barriers:** Only 46% of youth in care in Ontario graduate from high school, compared to 83% of their peers.
- **Post-Secondary Access:** Among those who graduate, enrollment in post-secondary education is 66% lower than that of the general population.

Your generosity helps bridge these gaps by providing:

- **Summer Camp Experiences:** Offering children the chance to build friendships, develop skills, and create lasting memories in a supportive environment.
- **Educational Support:** Supplying essential resources like school supplies, tutoring, and bursaries to help youth succeed academically.
- **Recreational Opportunities:** Enabling participation in sports and arts programs that foster confidence and community engagement.

Together, we can create brighter futures.

Consider making a gift today to support:

- \$100: Provides a backpack filled with school supplies.
- \$250: Sends a child to summer camp for a week.
- \$500+: Contributes to a bursary for post-secondary education.

Thank you for being a part of our community's support system.
