The Hope Behind the Holidays
A little about our Foundation

DURHAM Children's Aid Foundation | Holiday Hope — Bringing Joy to Every Home

About Our Foundation
Durham Children's Aid Foundation is a registered charity that raises funds to support children, youth and families connected to child welfare across Durham Region. We help bridge gaps beyond public funding, providing practical support, educational opportunities and resources to help young people build brighter, more independent futures.

Holiday Hope
Our largest holiday initiative brings our community together to make the season brighter. Through our Family Shop, caregivers can choose gifts for their children at no cost, creating a dignified shopping experience that celebrates choice and belonging.

Thanks to the generosity of Oshawa Centre, which provides the space and supplies for Wrap for Hope, every donation collected through gift wrapping supports our Foundation.

Funds raised help meet our highest-priority needs, including holiday initiatives, year-round supports and Foundation operations.

Thank You for Being Part of It!
Whether you're wrapping gifts, sorting donations or supporting our Family Shop, your time makes a difference.
